User Stories, Stack, Demo, Problems,
Future plans

User Stories

Divers

As a **diver**, I want to help **collect data about marine species** so that I can **support marine conservation**.

Marine Biologists

As a **marine biologist**, I want to be able to **access the data** so that I can use it to **support my research in marine conservation**.

User Stories

Public User

As a **public user**, I would like to **learn about marine species** so that I can raise both my own and others **awareness about marine conservation**.

Client

As a **client**, I want to support the **collection of data of marine species** so that a wider audience can **access, use and supply data** to create **awareness about marine conservation**.

Screenshots - Old

This screenshot shows the 'New Dive' form in a mobile application. The form is titled 'New Dive' and includes a hamburger menu icon on the left. The form fields are as follows:

- Title:** 'Sunday afternoon dive'
- Description:** 'it was a long and cold dive'
- Date:** '2023-11-31'
- Quantity:** Two input fields, both containing the number '1'.
- Submit Button:** A blue button labeled 'SUBMIT' at the bottom of the form.

This screenshot shows the 'View Dive' form in a mobile application. The form is titled 'View Dive' and includes a hamburger menu icon on the left. The form fields are as follows:

- Submitted Logs:** A section with a green 'Add Log' button and three blue 'TOGGLE COLLAPSE' buttons.
- Draft Logs:** A section with a blue 'SUBMIT' button.
- Form Fields:** A list of form fields labeled 'Organism', 'Habitat', 'Depth', 'Quantity', and 'Accuracy'.

Use Case

Demonstration

We will now take this opportunity to demonstrate both our app and web app.

If you would like to see our web app for yourself, our web app is publicly available at:

<https://frontend-marineconservationapp.azurewebsites.net/>

Client Feedback

→ App

- Make the app more diver
focused

→ Website

- Export Data as CSV/JSON
- Easy way to view data

Plan for Final Release

→ App

- Explore Page
- Discover Page
- Identification Helper

→ Website

- Full Website Rewrite
- Home/About Us Page
- Finish App and Explore Pages

→ Testing

- UBUC Easter Trip

Thanks for listening.
